MEMORANDUM NO. MLT-19-078

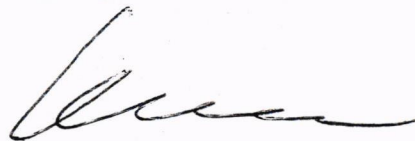

TO : All Concerned

SUBJECT : Use of UP Diliman grounds for helicopter landings

-----

Helicopter landings in UP Diliman will be allowed only if the requesting party has business to conduct in our campus. Such requests should be made ahead of time (at least 48 hours before the scheduled landing), specifying the nature of business to be conducted in UP Diliman and the names of the people who will be on the flight. This is to allow us to make the proper arrangements, especially around security.

We still reserve the right to deny such landings, even if made in connection with official business, if the landing might have serious security risks or might cause traffic problems.
